

PRIVACY POLICY

1. This Privacy Policy to read and used in conjunction with Chatbot Terms and Conditions. Throughout this Privacy Policy, User will be referred as “you” and Company/ Service Provider as “we”.
2. “Personal Information” means information that alone or when in combination with other information may be used to readily identify, contact, or locate you, such as: name, phone number. We do not consider Personal Information to include information that has been anonymized so that it does not allow a third party to easily identify a specific individual.
3. This Privacy Policy is effective to all information collected by Chatbot from which an individual can be identified (Personal Data).
4. To use the Chatbot application, you will need to provide us with required information which we deem fit for authentication.
5. Non-personal identification information are IP address, cookies, system log etc. and data about which you queried on the Chatbot. We may combine this automatically collected information with other information we collect about you. This information helps us to prevent fraud and keep the Site secure, analyze and understand how the Site works and provides a more personalized experience for members and visitors.
6. We may use feedback you provide to improve the services.
7. We adopt appropriate data collection, storage and processing practices and security measures to protect against unauthorized access, alteration, disclosure or destruction of your personal information and data stored in the Chatbot Server.
8. Our Services may change from time to time. As a result, we reserve the right to update or modify this Privacy Policy at any time and from time to time without prior notice. Please review this Privacy Policy periodically.
